

## **SPARKLE Thunderbolt™ eGPU Artistry 240, Thunderbolt™ 3 40Gbps, 2-Slot PCIe Graphics Enclosure, Optional RTX3050 / RX6600 / SSD Riser Board, 240W Power Adapter, USB & Ethernet Ports, Windows/MacOS Compatible, TBX-240FU**

Powered by Intel® Alpine Ridge, SPARKLE Thunderbolt™ eGPU Artistry 240 is designed to extend your laptop ability by an additional PCIe enclosure, which can fit in 2-slot VGA, SSD Riser board or other PCIe components.

Artistry 240 provides optional RTX3050, RX6600 and 4x SSD Riser Board for you along with its compact design, maximize the ability and flexibility to your laptop.

### **SPECIFICATIONS**

- Intel® Alpine Ridge Controller
- 1x Thunderbolt™ 3 Port
- 1x Internal PCIe x16 slot with 4 lanes PCIe 3.0
- 1x PCIe 6+2 pin Power Connector
- External 240W AC Adapter
- 1x Gigabyte Ethernet
- 2x USB 3.2 Gen2 Type-A (10Gbps, 5V/1.5A)
- EAN: 4711342290016

### **KEY FEATURES**

- Optional RTX3050 / RX6600 / 4x SSD Riser Board
- Compact Design, Maximize the Flexibility
- Intel® Alpine Ridge, Thunderbolt™ 40Gbps
- Support up to 2-slot PCIe Component.
- 45W PD Host Charge
- Provide Maximum 150W for PCIe Component

### **OS Requirement**

- Windows® 10 and above
- MacOS High Sierra 10.13.4 and above

### **Maximum Supported PCIe Components**

- 175 x 131 x 38 mm (2-slot bracket)

### **ACCESSORY**

- Power Cord x1
- Thunderbolt™ (40Gbps) Cable 0.5m x1
- Quick Guide
- 240W External Power Adapter

### **DIMENSIONS**

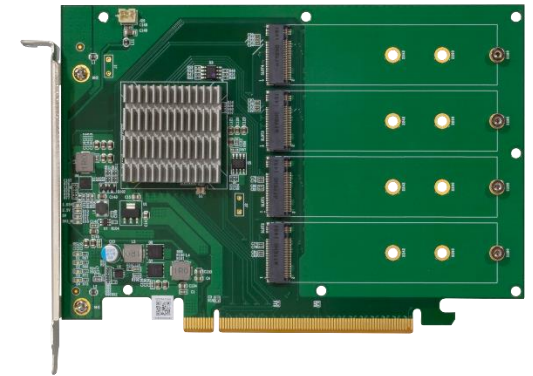

- Dimension: 215 x 154 x 70mm
- Weight: 6,164 g (without GPU)

**RTX3050**

**RX6600**

**4x SSD Riser Board**
